The fish who could wish

In the deep blue sea, in the deep of the blue,
swam a fish who could wish, and each wish would come true.

He wished for a castle.

He wished for a car.

He wished for a horse and a Spanish guitar.

One day, just for fun, that silly old fish,
wished the silliest, silliest wish he could wish.

That silly old fish wished he could be
just like all the other fish in the sea.

But wishing was something other fish could not do.
So that was his very last wish that came true.

- 1  Listen and point.
- 2  Look at the pictures.
Tell the story to your partner.

He would wish himself square,

One day, just for fun,

That silly old fish

The fish who could

or round as a biscuit,

Wished he could be

Just like the other fish

wish

Triangular, oval...

Wish he could wish....

There, in the sea.

written by John Bush

Name it, he wished it.

But wishing was something

Other fish could not do.

So that was his very last wish that

came true.

What do you think he wished?
