The feely weather story

Sit behind your partner.
It's a windy day. (Die Schüler pusten dem Partner in den Nacken.)
It's raining. (Die Schüler klopfen mit den Fingerspitzen auf den Rücken des Partners.)
It's raining more and more. (Das Klopfen wird stärker.)
Suddenly the rain stops.
It's still cloudy. (Mit großen Bewegungen fahren die Kinder dem Partner über den Rücken.)
Now the sun is coming out. It's getting warmer and warmer. (Die Schüler wärmen dem Partner die Ohren und die Wangen mit ihren Händen.)
Now the sun is shining brightly. (Die Schüler ahmen die Sonnenstrahlen auf dem Rücken des Partners nach.)
